

**POWER**

**THE FIGHT**

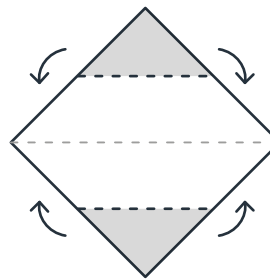

AGAINST BREAST CANCER

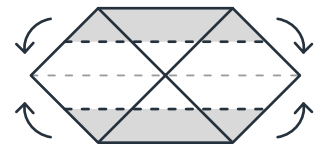

1. Cut an A4 sheet into a square.

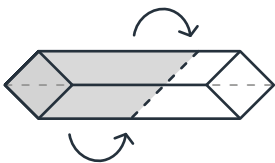

2. Fold it diagonally into equal triangles, then unfold it.

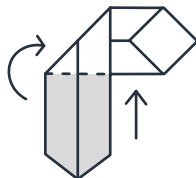

3. Fold each half so that the point touches the central crease.

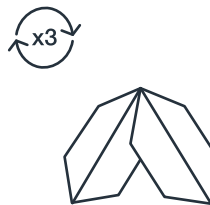

4. Fold it again so that the newly created creases touch the central crease.

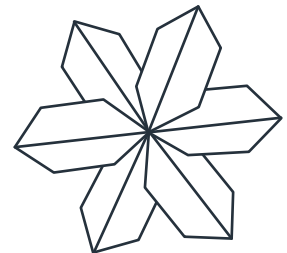

5. Make a diagonal fold next to the right side.

6. Make the new fold vertical.

7. Once the first 2 petals are finished, repeat the process 3 times.

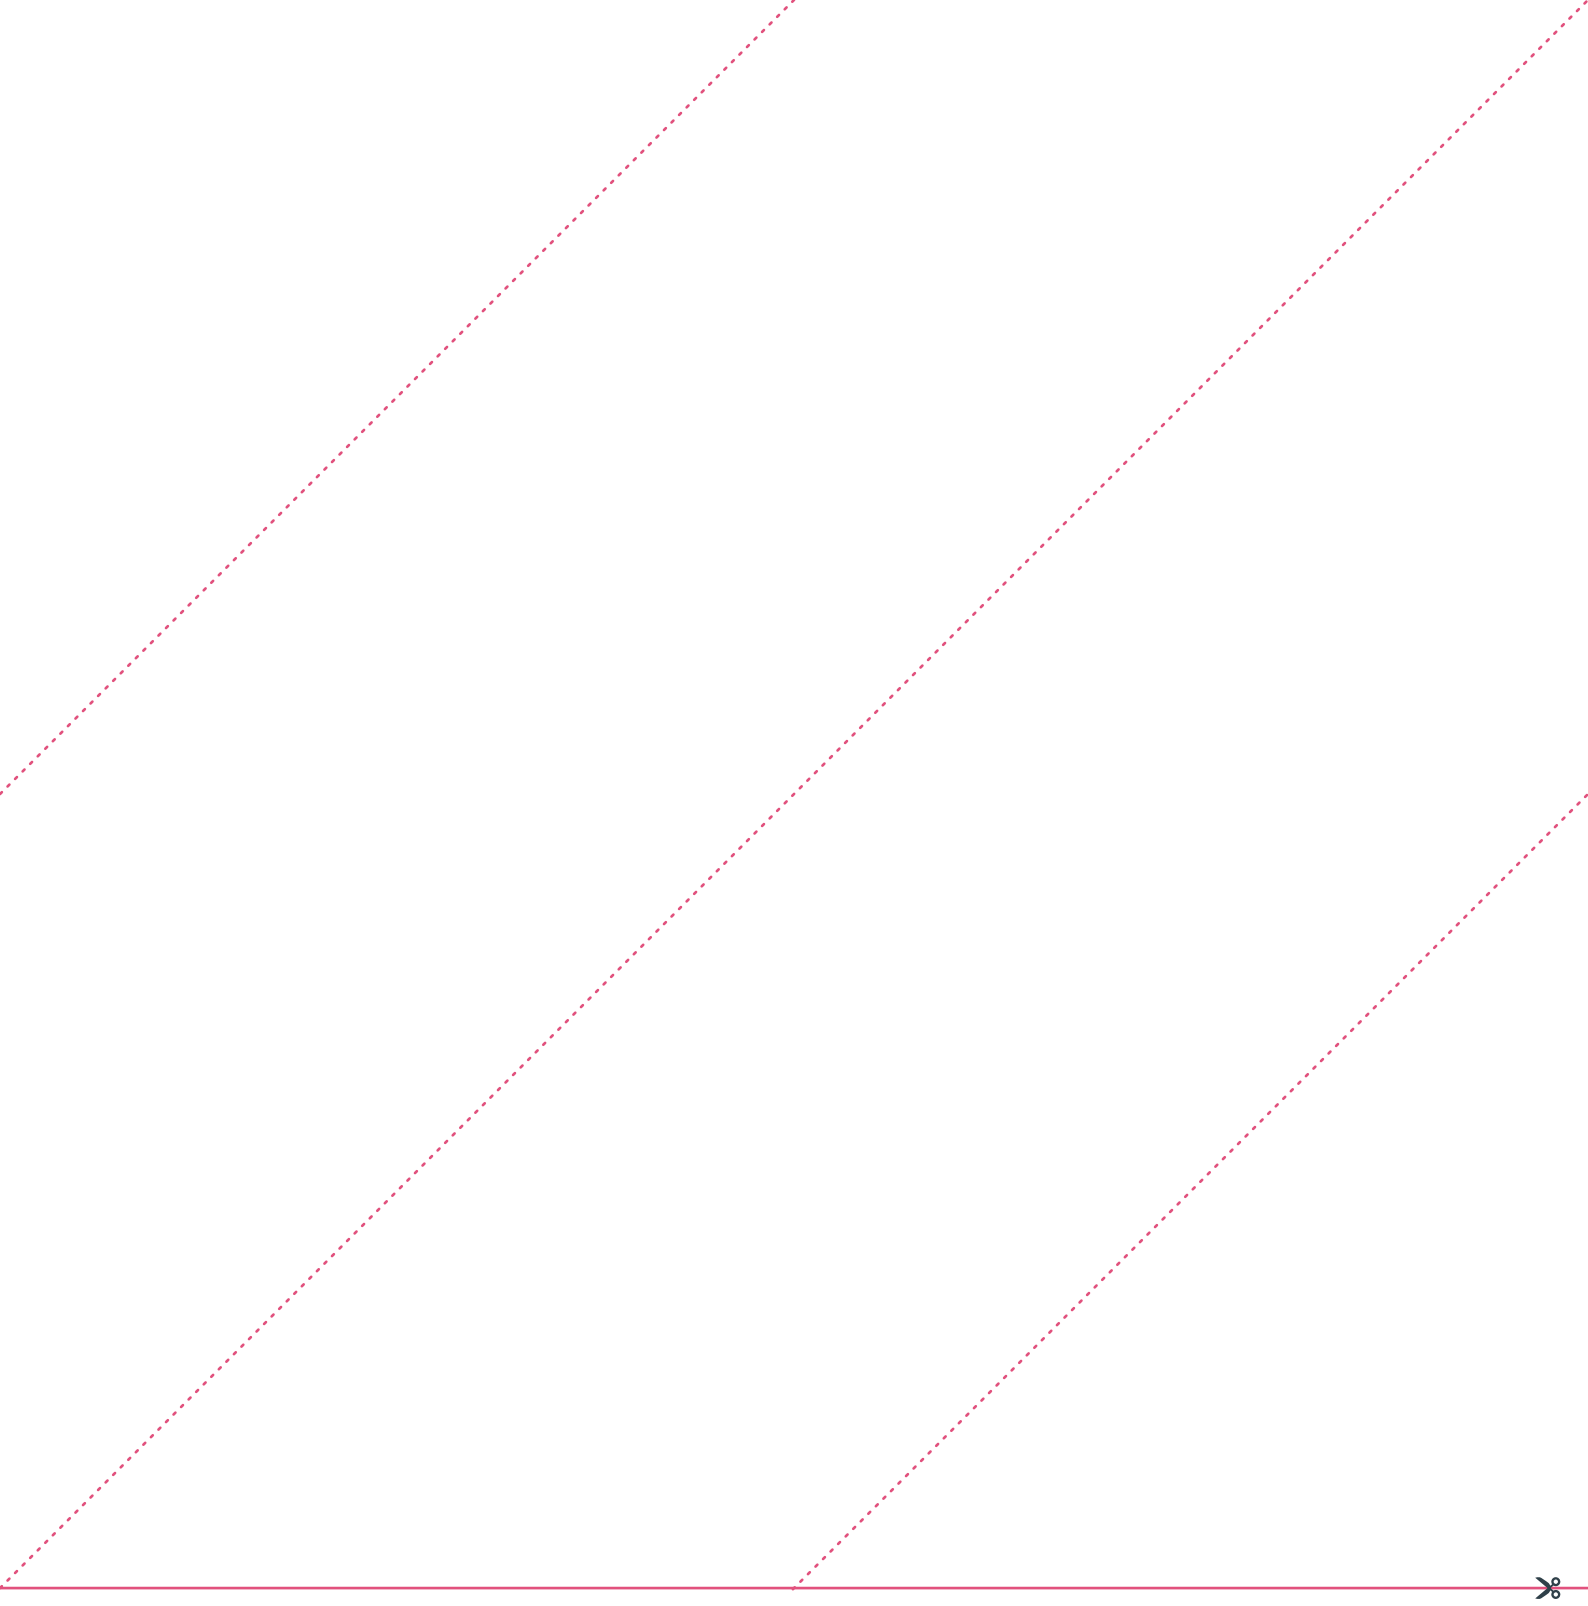

8. Now finish the flower by joining the 3 sets of petals.

**INSTRUCTIONS TO CREATE YOUR PIONEER PAPER FLOWER**

- Print 3 copies of the origami construction sheet (next page).
- Follow the tutorial presented above.
